### **Good Friday Service**

Interdenominational Service here in Lowe, Friday 15th April, 8pm

'Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God' Philippians 4.6

- Loving Father we pray for a special blessing on all who live in Hollymount, The Close, The Crescent, The Hill, The Laurels, The Vines. You know each of these people intimately and we pray that you will sustain them in these challenging times.
- Bless the forthcoming Madlener family reunion aboard the MV Logos in Las Palmas in the Canary Islands. May this be a time of rest and refreshment for each of them – for Michelle who has been working very hard on the ship and has missed her family; for Cecilia who is praising God for her new nursing job with more regular hours; for Werner who asks for wisdom in his decision making on a daily basis in his role with London City Mission; for Joshua as he prepares for GCSE exams and Hannah in her involvement in swimming competitions.
- Father we pray for wisdom for Rev Derek McKelvey who has been appointed by Presbytery to be the Convenor of the vacancy. We pray for clear guidance and a common sense of purpose when he meets with Session after Easter so that we adapt to changed circumstances and move forward together in the coming months.
- Lord, we continue to pray for Christians in war torn countries that they would know your love, presence and protection, and that they would turn to you for their courage and strength so that others may see You through their witness.
- As we reflect on the Cross during this week and come together in worship with members of neighbouring churches at the Good Friday service may each of us echo the words of the hymn writer 'Love so amazing, so divine, demands my soul, my life, my all'.

Prayer Chain - The Prayer Chain continues to be available for all and confidentiality is assured. Contact Noelle Millar at 90619385 and if no response leave a message. If no response follows please call Hilary Atkinson on 92671848.
